Note

Govt were pleased to sanction the conversion of Hindu Girls school at Chuckmagalur into a Govt Institution vide Printed Pro N 15455 SE of 26th May 1898 This Girls school Ed 466 was being maintained with item from Private Subscriptions & managed by a Committee It will be seen that the chief object of Govt in taking this school into Govt management was that Chuckmagalur is the HQ Quarters of the distt and that there should be a separate school for Caste Girls (Hindu Girls) To this objection was taken by the present I.N. Commissioner (Please see minute in the Chuckmagalur file) Mr Babbha himself did not like the idea of starting a Govt school in a place where already an aided institution existed

Now there is a similar recommendation from Mr Bhabha to convert into a Govt institution the Private Girls school at Bowur at a monthly cost of Rs 31 Pro 1st October 1898 This school was started in the year 1895 and it is working well ever since that time This being maintained by the merchant class of Bowur

While the question of Converting the school at Chuckmagalur into a Govt Institution was pending — it was thought desirable by the I.N. Commissioner that rules should be framed for the management of these schools by Committees Now Mr Bhabha has forwarded Revised rules for these Committees vide his letter No 3468 (this office No 3983 Ed F 10-96) 136 162 which was submitted for orders on 10-11-98

There is also a similar recommendation as to the Conversion into a Govt Institution the aided Girls school at Channapatna This school receives a monthly grant of Rs 18 There is also an aided Wesleyan Mission School In this place this School though not working well say Mr Bhabha, may be taken under Govt management on the ground that some parents have conscientious scruples to send their daughters to a mission school.

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

~~Bangalore~~ 23 September 1898

From

H J BHABHA Esq,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore in the General and Revenue Depts, Bangalore

SIR

With reference to Memorandum No 3989/2d 107 dated 20th September 1898 of the Office of the Dewan of Mysore, I have the honour to inform you that the Girls School referred to is an aided school and receives a monthly grant of Rs 18, and that there is another aided School in Channapatna maintained by the Wesleyan Mission. On the principle that a Government School should not be started in opposition to an already existing aided School, the taking over by Government of the aided Girls School called the Jayalakshamma anda

Girls School, Channapatna has not been till now recommended. Last year however Government were pleased to take over a private Girls School in Chikmagalur although there had been for many years a Wesleyan Mission Girls School in the town before the private Girls School was started, and in Tumkur there has been a Government Girls' School which was started long after the Wesleyan Mission Girls' School or Schools in that town had been established. The Jayalakshammanni School has never given satisfaction and at my inspection in August last was in a much worse state than the neighbouring Wesleyan Mission Girls School. As some parents however have conscientious scruples to send their daughters to a Mission School, I would under the above circumstances recommend that the Jayalakshammanni Girls School be taken over by Government. The cost of the Government School will be Rs 30 a month while the grant given at present is Rs 18.

I have the honour to be,
Sir,
Your most obedient Servant,
H W [illegible]
Asst. Inspector [illegible]
